

Looking for information about Maryland's vast array of State assistance programs and grant opportunities?

The Red Book Online is a comprehensive, web-based source with valuable information on more than 700 Maryland State programs. This information is absolutely free and easy to get over the internet.

The Red Book Online includes the following types of information.

A) Financial Assistance and Direct Development Programs

- Grants
- Loans (including insured or guaranteed loans)
- Federal pass-thru dollars to State agencies
- Direct & indirect subsidies
- Insurance

B) Non-Financial Assistance Programs

- Technical Information
- Regulatory Information
- Advisory Information

The Red Book Online is an invaluable resource for individuals seeking information about the many State assistance programs available in Maryland.

This electronic reference tool is available to any person, organization or entity. Some of the types of users include:

- State, County and Regional Governments
- Municipalities and Towns
- Nonprofit & For-profit Organizations
- Individual citizens

Each program listed in the Red Book Online has the name of a contact person, their telephone number, and E-mail address. Simply call or E-mail the contact person listed to find out more information about the particular program you're interested in.

The programs listed in the Red Book Online cover a wide range of topics and areas of interest.

A small business owner can search under business assistance, business taxes, etc. The key sponsoring agency would be the Maryland Department of Economic and Business Development.

Looking to buy a home? Search under homeownership, home buyer, etc. In this case, the sponsoring agency is the Maryland Department of Housing and Community Development.

Students seeking financial assistance could search under scholarships, financial aid, and student loans. If searching by agency, click on the Maryland Higher Education Commission for assistance.
