No member of the Board shall sit in hearing nor vote on any matter in which he/she shall be personally or financially interested, nor shall he/she vote on the determination of any appeal unless he/she shall have attended the public hearing thereon.

Public Hearings.

1. Matters Requiring Public Hearings.

A public hearing shall be required in all appeals from any Order, requirement, decision or determination made by an administrative official whose duty is to enforce the Zoning Ordinance and for applications for special exceptions, expansions and changes to nonconforming uses and variances as authorized by the Zoning Ordinance (Article 4 of the Land Management Code) and for variances to the Floodplain Management Ordinance (Article 6 of the Land Management Code).

- d. The Board shall also, insofar as practicable, mail notices of the hearing of an appeal or application to all property owners which adjoin or are across a public street or alley right-of-way from the subject property, as said names and addresses appear on the latest tax rolls of the County. Compliance with this sub-paragraph shall not be a condition precedent to proper legal notice and no hearing or action taken thereon shall be deemed invalid or illegal because of any failure to mail the notices provided for in this sub-paragraph.

Whenever possible, requests for postponement of a scheduled hearing shall be filed with the secretary as soon as possible after discovering the need for the requested postponement, citing the reason or need for postponement. The granting of such request shall be at the discretion of the Board.

5. Conduct of Public Hearings.

- a. Appearance of Applicant. Any person may appear in person or by agent or attorney at any public hearing. In the case of administrative appeal, if an appellant fails to appear either in person or by agent or attorney, his appeal shall automatically be denied. In the case of an application for special exception, variance, nonconforming use or similar action, if an applicant fails to appear either in person or by agent or attorney, his application shall be dismissed and the applicant may re-file the application if they so choose.
- b. Order of Proceeding. The order of proceeding in the hearing of each case at a public hearing shall be as follows:
 - (1) Reading of the public notice for the hearing by the Chairperson.
 - (2) Introduction of the case by the Zoning Administrator (or his designated representative), at the discretion of the Board.

- c. Time Limitations. Reasonable time limitations may be imposed on persons testifying at a hearing. Where time limitations are imposed, the record shall be kept open for seven (7) days to receive written comments and reports.
- d. Evidence. The Board shall determine matters of relevancy in its discretion. Property owners, as well as affected parties and the general public, are encouraged to provide the maximum input of relevant evidence into the hearing, without the requirement of adherence to strict judicial principles pertaining to the rules of evidence. Hearsay evidence is admissible if credible and of sufficient probative force. It may even be the sole basis for a decision.
- e. Conclusions of Board Members. Conclusions of Board members shall be based upon the evidence and not upon the opinions of individual Board members.

Decisions.

1. Form of Decisions.

All decisions of the Board of Zoning Appeals shall be by written “Decision and Order” completed in a uniform format and prepared by one (1) or more Board members. The Board, at its discretion, may delegate the creation of an initial draft of Decisions and Orders to the Board’s staff in cases not involving an administrative appeal. However, the Chairperson shall not affix his or her signature to the decision until the members of the Board concur on its final form and content. Since staff is a party to proceedings in the case of administrative appeals, staff shall not participate in the drafting of a decision and order in those cases.

The basis for the determination of each appeal or application and a detailed summary of the facts (“Findings of Fact”) upon which the determination is made shall be recorded in the decision and shall constitute a part of the record thereof. In the cases of variances, floodplain variances, special exceptions, nonconforming use issues and similar applications, a section entitled “Conclusions of Law” shall individually address all general and specific criteria as set forth in the Zoning or Floodplain Management Ordinance (as applicable, and as periodically updated and amended by the Mayor and City Council) under which the Board is charged with determining compliance in order for the relief to be granted. In the case of administrative appeal, the “Conclusions of Law” section shall explain the Board’s reasoning for its decision in the case.

2. Time of Decision.

Article 4 (Zoning), Section U.4 of the Land Management Code requires that the Board render its decision within forty-five (45) days after completion of the hearings.

3. Notice of Decision.

A written copy of the Decision and Order of the Board shall be mailed to the appellant or applicant or his attorney or agent by certified mail, return receipt requested, upon its completion and within forty-five (45) days of the decision where the applicant is denied or where specific conditions are imposed. Decisions that do not involve denials or conditions of approval shall be mailed by standard first class U.S. Mail.

Amendments

These rules may be amended at any regular meeting by an affirmative vote of not less than a majority of the members present at a meeting of which a quorum is met, provided that such amendment has been presented in writing to each member of the Board at least forty-eight (48) hours preceding the meeting at which the vote is taken.
