3:30 pm: MPCA Guided Discussion (Doug Wright, MPCA)

- From the standpoint of local planning needs & priorities, over the next 10 years what topics and issues do you feel will be similar to the previous 10 years? What topics and issues will be different?
- Are any of these issues specific to the Western Maryland region? How?
- What resources would help you address your planning needs and priorities?
- What successes have you had in the past 5 years that we can learn from? What were the components of that success?

- What barriers have you had in the past 5 years that we can learn from? Were you able to overcome those barriers? If so, how? If not, what would you like to know, or what kind of help do you need, to overcome them?
- Describe your successes and challenges with engaging your community.
- Have you engaged in any regional or local planning coordination efforts? If so, what were they and what were the results? If not, what topics and issues would benefit from regional and local coordination?

3:55 pm: Wrap up and Next Steps
