MD TWO FIFTY

In accordance with Executive Order 01.01.2024.29, we are pleased to submit the Annual Report and Action Plan Update of the Maryland 250 Commission for calendar year 2024. This year, Executive Order 01.01.2024.29 amended Executive Order 01.01.2023.10, adding a 34th seat to the Commission for the Adjutant General of Maryland, though the Commission charge remained the same: to develop, encourage, and execute an inclusive statewide observance of the 250th anniversary of the founding of our nation through 2026, with three themes - history, civics, and service.

As the U.S. Semiquincentennial is a national initiative with state and local execution, Maryland is one of more than 50 U.S. states and territories which have launched 250th commissions. We are pleased to report that local 250th commissions have formed in Annapolis, Bladensburg, Calvert County, Carroll County, Dorchester County, Frederick County, Lower Shore, Prince George's County, Southern Maryland, and Washington County, with conversations underway in other communities. The Maryland Society, Sons of the American Revolution, and the Maryland State Society, Daughters of the American Revolution have active 250th committees, and Johns Hopkins University is planning its Sesquicentennial (150th anniversary).

There was strong progress in 2024, including:

- Three Commission meetings, fifteen working group and committee meetings, and a facilitated planning and messaging workshop.
- Three events including a Commission kickoff event in partnership with the State House Trust and Maryland Archives commemorating the 150th anniversary of Frederick Douglass' 1874 visit to Annapolis, "Looking Back to Look Ahead: Frederick Douglass, George Washington, and America at 250"; a co-sponsored opening night reception at the Chestertown Tea Party; and a recognition ceremony at the Maryland State Fair for nine Maryland student winners of America250's America's Field Trip.
- Tabling at major events statewide such as the Maryland Municipal League conference, the Maryland Association of Counties conference, and the Maryland Folk Festival.
- The launch of a \$225,000 MD Two Fifty small grant program, with five virtual information sessions, and grants of nearly \$60,000 awarded to date to nonprofit and local government stakeholders in seven counties, and plans to continue to promote and award the remaining \$165,000 by the end of FY 2025 with a goal of funding stakeholders statewide.
- The spring 2024 launch of a website, social media, and monthly newsletter.
- Contracting with Uplift Alliance as fiscal sponsor, donate link added to website, and planning underway for private fundraising as directed by the Executive Order.
- Three new contractual employees were hired, including two from the Department of Service and Civic Innovation Service Year Option program, and new office space was secured.

- A formal plan for statewide stakeholder support kicked off in February with statewide virtual convenings of stakeholders every six weeks; monthly virtual office hours; customized partner logos; promotion of partner events, places, and stories; and additional support in planning.
- Membership in the Maryland Civic Education Coalition.
- Endorsement of the Maryland Mosaic project promoting over 150 national “firsts” that happened in Maryland.
- Partnerships with national organizations such as America250, the American Association of State and Local History, the National Park Service, and Mid-Atlantic 250th partners in Delaware, New Jersey, and Pennsylvania, and:
 - With organizations statewide to commemorate historically significant anniversaries.
 - With the Maryland Department of Veterans and Military Families, Maryland Military Department, and other partners, on a statewide commemoration of the 250th anniversary of the United States Army, Navy, and Marine Corps, in 2025.
 - On regional MD Two Fifty Free State festivals in 2026 with the Governor’s Office of Community Initiatives, State ethnic Commissions, the Maryland Commission for Women, local 250th Commissions, and other partners.
 - Additional partnerships are in the exploratory phase, including a statewide professional baseball partnership.

We thank all who have contributed to our progress including Governor Wes Moore, Lt. Governor Aruna Miller, Secretary Rebecca Flora, AICP, of the Department of Planning, and the staff of the Maryland Historical Trust. The MD Two Fifty Commission is fully committed to our work ahead. We thank you for your past and future support.

Respectfully submitted,

The Honorable Parris N. Glendening, Chair

The Honorable Catherine Curran (Katie) O’Malley,
Vice Chair

1. BACKGROUND

In 2016, the United States Congress established the U.S. Semiquincentennial Commission to plan the 250th anniversary of the founding of the United States and to coordinate this commemoration with the states, particularly the thirteen original colonies. State Semiquincentennial Commissions began to launch soon after, and on January 24, 2021, then-governor Larry J. Hogan, Jr. issued an Executive Order authorizing the creation of the Maryland Semiquincentennial Commission.

On July 3, 2023, Governor Wes Moore rescinded the 2021 Executive Order, authorizing creation of a “Maryland 250 Commission” charged with planning commemorative activities around the three organizing themes of history, civics, and service. Governor Moore appointed former governor Parris N. Glendening to serve as Commission Chair and retired judge Catherine Curran (Katie) O’Malley as Vice Chair. The reconstituted Commission held its first meeting on December 4, 2023, with subsequent meetings on April 16, 2024, August 28, 2024, and November 12, 2024. The Executive Order was revised again on September 4, 2024, with the addition of a Commission seat provided for the Adjutant General of Maryland; the revised Executive Order can be found at the end of this report as Appendix 1.

2. MISSION, GOALS, AND VISION

The mission of the Maryland 250 Commission is to develop, encourage, and execute an inclusive statewide observance of the 250th anniversary of the founding of the nation recognizing all Marylanders' struggle for life, liberty, and the pursuit of happiness, before, during, and after the Revolution, based on three themes – history, civics, and service.

The goals are to:

- Invite broad-based public input on the meaning, significance, and opportunities of this anniversary that will inform development of commemoration activities, programs, and events.
- Acknowledge that the confiscation of Indigenous land and displacement of Indigenous people is central to the United States' origin story and recognize the persistence and contributions of these communities today.
- Honor the legacy of both free and enslaved African Americans in the making of Maryland and the nation, whose untold stories of heroism and perseverance are critical to the understanding of our shared past and present.
- Support the identification and enhancement of cultural assets that tell the story of who we are as Marylanders and promote place-based visitor experiences for residents and visitors alike.
- Engage youth, new Americans, and lifelong learners in programs designed to encourage the search for meaning behind America and deepen engagement in civic life.
- Celebrate service to the country and community, and create opportunities that promote social responsibility, compassion and understanding that will unite and strengthen Maryland's diverse communities for the benefit of all.

The Commission met on June 11, 2024, for a facilitated messaging and planning workshop led by Sandy Hillman of K|O and Hillman Communications, working pro bono, and drafted a vision statement which was approved by the Commission at its next meeting on August 28, 2024:

MD Two Fifty envisions an inclusive and nonpartisan statewide reflection on our past that honors the contribution of all Marylanders, that unites us in purpose to serve, to engage civically, and to shape the future of our state and nation for the next generation.

4. SIGNATURE PROGRAMS

The Commission has identified seven signature programs, with an eighth proposed program now in the exploratory phase. Four of these signature programs launched in 2024, two are planned for 2025, and two are planned for 2026.

Year	Signature program	Description
2024	MD Two Fifty Citizen Academy program	<p>This is a small grants program awarding \$500 grants to encourage counties and municipalities throughout Maryland to launch free short-term citizen academies to educate residents about their local government and how it works, to meet elected and staff leaders, and to understand opportunities for engagement in their community.</p> <p>The goal of this program is to boost citizen engagement, for example: volunteering for a board or Commission, running for office, voting, or attending public meetings.</p> <p>This program is tied to the Executive Order theme “to engage youth, new Americans, and lifelong learners in programs designed to encourage the search for meaning behind America and deepen engagement in civic life” and is unique among state 250 Commissions.</p>
2024	MD Two Fifty Inclusive History grant program	<p>This is a small grants program awarding up to \$4,000 grants to non-profit organizations and local and state government entities to fund the exploration of under-represented narratives related to Marylanders' struggle for life, liberty and the pursuit of happiness before, during and after the American Revolution. The goal of this grant program is to support inclusive, community-centered research, events, programs, projects, and exhibits. Funded projects will:</p> <ul style="list-style-type: none"> • Tell a diverse and inclusive story about America’s past that invites participation from all Marylanders; • Encourage reflection on the ongoing evolution of American democracy, Maryland's integral role in that process, and the impact of Marylanders on the nation's past, present, and future; and Demonstrate how understanding the complexity of our history helps us to respond to the present and prepare for the future. <p>This program is tied to the Executive Order themes “to acknowledge that the confiscation of Indigenous land and displacement of Indigenous people is central to the United States’ origin story and recognize the persistence and contributions of these communities today”; “honor the legacy</p>

		<p>of both free and enslaved African Americans in the making of Maryland and the nation, whose untold stories of heroism and perseverance are critical to the understanding of our shared past and present”; and “to support the identification and enhancement of cultural assets that tell the story of who we are as Marylanders and promote place-based visitor experiences for residents and visitors alike”.</p>

These Pieces tell the story of Maryland’s contribution to the evolution of our nation and share an opportunity to reflect on our present and our future, based on knowledge of our past.</p> <p>The program goals are to build a statewide network of Mosaic partners that offer programming for the 250th, and for the Commission to support partners with information and promotional opportunities.</p> <p>This program is tied to the Executive Order theme “to support the identification and enhancement of cultural assets that tell the story of who we are as Marylanders and promote place-based visitor experiences for residents and visitors alike” and is unique among state 250 Commissions.</p>

5. COMMISSION STRUCTURE AND MEETINGS

COMMISSION STRUCTURE

As set forth in the Executive Order, the Commission is required to adopt administrative and financial procedures for the transaction of business, including, but not limited to, the establishment of advisory groups, committees, or working groups that address the themes of history, service, and civics. Bylaws, posted on the Commission website, were adopted by the Commission at its first meeting in December 2023. These bylaws describe the role of the Chair in appointing Committee members and rules for how these Committee and working groups are to conduct business.

To date, three standing working groups in support of the Commission's three primary themes – civics, history, and service - have been created to guide the substantive work of the body. The Civics Working Group is chaired by Dr. Antonio Ugues, Jr., Associate Professor of Political Science and Director of the Center for the Study of Democracy at St. Mary's College of Maryland. The History Working Group is chaired by Katie Caljean, President and CEO of the Maryland Center for History and Culture. The Service Working Group is chaired by Paul D. Monteiro, Secretary of the Maryland Department of Service and Civic Innovation. At the recommendation of Chanel C. Johnson, Maryland 250 Commissioner and Executive Director of the Maryland Commission on African American History and Culture, an African American Heritage Working Group was created in August of 2024. Working group members will be appointed by Chair Glendening at the recommendation of Commissioner Johnson, at which time the working group will convene.

The work of the Commission is also supported by a Communications, Fundraising, and Events Committee which is co-chaired by Commissioner Robin V. Sproul, Executive Vice President of Javelin Communications, and Commissioner Steve Kearney, Founding Partner of K|O and Hillman Communications. This Committee will play a critical role in seeking to leverage non-state resources to support signature MD Two Fifty programs and events.

Finally, there is an Executive Committee which is authorized by the bylaws to act on behalf of the Commission when such action is required prior to the next scheduled meeting of the Commission, or when a quorum of the Commission cannot be formed. This committee is composed of the Commission Chair and Vice Chair, the chairs of the Civics, History, and Service working groups, and the co-chairs of the Communications, Fundraising, and Events Committee.

COMMISSION MEETINGS

The Executive Order requires the Commission to meet a minimum of twice per year. However, with the approach of the 2026 anniversary year, Commission meetings are expected to increase in frequency. The Commission held three in-person meetings in 2024 – on April 16, August 28, and November 12. Beginning in 2025, three in-person meetings are planned, and additional virtual meetings may be scheduled at the discretion of the Chair to approve grants and for other business as needed.

The Maryland Two Fifty Commission at its first meeting on December 3, 2023

WORKING GROUP MEETINGS

CIVICS WORKING GROUP

HISTORY WORKING GROUP

The History Working Group held a hybrid meeting on March 8, 2024 to discuss guidelines and guidance for 250th programs, the Maryland Mosaic, and begin discussions of the MD Two Fifty Inclusive History small grant program.

The working group held another hybrid meeting on March 25, 2024 to further discuss the Inclusive History grant program and a form for the website for local organizations to submit programs and events for formal recognition of the Commission. At meetings on August 5 and October 18, the working group further discussed the Inclusive History small grant program and upcoming virtual information session, and a Maryland Labor 250 project proposal from a stakeholder. A final vote on the Inclusive History grant application and documentation followed electronically.

SERVICE WORKING GROUP

The Service Working Group met virtually on March 28, 2024, to review and finalize working group recommendations to be presented to the Commission:

- Seek partnership opportunities tied to the commemoration of the 250th anniversary of the U.S. Army, Navy, and Marine Corps in 2025 and other military milestones.
- Create an MD Two Fifty Fellows small grants program beginning with small grants to nonprofits, government, and tribal entities for paid undergraduate and graduate internships with a mentor stipend for work on a meaningful project related to one or more of the Commission themes.

The working group met virtually on August 6, 2024 to review and vote on draft materials and application for the MD Two Fifty Fellows small grants program. The working group met again virtually on October 17, 2024 to review and vote on the grant application review process.

Subsequently, nine grant applications were received, of which eight met eligibility guidelines, and were reviewed and voted on electronically by the working group and recommended to the Commission.

COMMUNICATIONS, FUNDRAISING, AND EVENTS COMMITTEE

The Communications, Fundraising, and Events Committee held its first meeting virtually on January 23, 2024 to discuss communications goals, strategies, and priorities, and funding and fundraising.

The committee met virtually on March 29, 2024 to review and vote on five recommendations to the Commission:

- Seek partnership opportunities on events commemorating anniversaries of historical significance.
- Seek in-kind or paid support for services needed, for example: fundraising, public relations, graphic design, and podcast series production.
- Retain the services of a fiscal sponsor so that private funds can be raised and distributed.
- Explore a vendor partnership for branded merchandise.
- Request that the Governor's office direct state grant funders to prioritize 250th projects when appropriate.

The committee organized an in-person facilitated messaging and planning workshop with Sandy Hillman of K|O and Hillman Communications, inviting all Commissioners, on June 11, 2024, resulting in a draft vision statement that was recommended to the Commission (see page 6). The committee met virtually on August 6, 2024 to discuss the concept of a branded podcast series and next steps after the June workshop, and on October 18, 2024 to discuss partnership opportunities with America250, and to review and consider a proposal for a statewide professional baseball partnership.

STAKEHOLDER SUPPORT LAUNCHED

Statewide virtual convenings of stakeholders began in February 2024 and were held every six weeks through the end of the year. Each convening focused on a topic relevant to partners and stakeholders with topics including national and state 250th themes, civic engagement, grant funding for the 250th, incorporating the 250th into existing events, Maryland military history, and America’s Field Trip. Following the guest speaker and Commission updates, stakeholders from throughout Maryland shared updates from their communities. Eight convenings were held on February 21, April 3, May 15, June 26, August 7, September 18, October 30, and December 11, with guest speakers from the National Park Service, the Maryland States Arts Council, the Starr Center for Study of the American Experience at Washington College, America250, the Office of the Secretary of State, and the Maryland National Guard. Stakeholder relationships with Commission staff and other stakeholders have been strengthened at these sessions and new partnerships have emerged.

Statewide virtual office hours began in February and were held monthly through December. This is an opportunity for stakeholders to share ideas, requests, and questions with Commission staff.

Informational resources are shared on the Commission website with permission from national organizations including America250 and the American Association for State and Local History.

The Commission offers customized logos for partners to be used in promotional materials. To date, customized logos have been requested and provided to the City of Annapolis, and Carroll, Caroline, Dorchester, and Talbot counties.

Additionally, co-branding and promotion of events, places, and stories on the MD Two Fifty website, social media, and newsletter are available to partners upon request.

LOCAL 250 COMMISSIONS LAUNCHED STATEWIDE

Local participation is a priority of the Commission. Local communities statewide are encouraged to launch a local commission. As of the time this report was submitted, local 250th commissions or committees have launched in Annapolis, Bladensburg, Calvert County, Carroll County, Dorchester County, Frederick County, Lower Shore, Prince George's County, Southern Maryland, and Washington County. Additional local initiatives are tracked, added to the "Get Involved" page of the Commission website with contact information, and then contacted regarding support.

Some communities and institutions in Maryland will have milestone anniversaries in 2025 and 2026, and efforts are being made to co-brand and partner when possible. Milestone anniversaries are being tracked, including: Anne Arundel County (375th in 2025); Town of Church Hill (150th in 2026); Deep Creek Lake (100th in 2025); Town of Greensboro (200th in 2026); John Hopkins University (150th in 2026); Montgomery County (250th in 2026); Town of Ocean City (150th in 2025); Salisbury University (100th in 2025); and Washington County (250th in 2026).

The Maryland Society, Sons of the American Revolution, and the Maryland State Society, Daughters of the American Revolution also have active 250th committees.

OUTREACH

The 250th is a national commemoration with state and local execution, and the focus of the Maryland 250 Commission is on the entire state of Maryland. Outreach to local communities and stakeholders, and building relationships and partnerships, are vital to the success of the Commission. Outreach is done via presentations, tabling at major conferences and events, virtual and in-person meetings, and visits to local communities statewide to meet stakeholders and learn about their communities. **In the 21 months since April 2023, all counties and Baltimore City have been visited by Commission staff.** A list of outreach activities in the various regions of Maryland, and at the state, regional and national levels, is included as Appendix 2.
