John Hartline, Executive Director, Tri-County Council for Southern Maryland, Chairman
Christopher Perry, Bourn Environmental, Vice-Chairman

We, the Patuxent River Commission, envision a Patuxent River ecosystem as vital and productive in 2050 as it was in the 1950s. We therefore commit to be stewards and advocates for the Patuxent River and to lead and inspire actions to protect, enhance, and restore living resources and the natural, cultural, economic, and recreational values of the Patuxent River and its watershed.
