Dear Mr. Dubow:

Please find this correspondence as the administrative adoption of the City of Frostburg's Tier designation pursuant to Senate Bill 236. The entirety of the Frostburg Municipal incorporation shall be mapped as a Tier I area; public sewerage serves the entire City. Please find a map and digital shapefile of the City's municipal limits (dated 12/12/12) enclosed, these files include Annexation #69, the Sand Spring Phase II annexation area, which was effective in November 2012.

Allegany County will submit the County Tier Map which will designate Frostburg's Municipal Growth Areas as Tier II. Please contact me if you have any further questions at extension 15 or estahlman@allconet.org.

Sincerely,

Elizabeth E. Stahlman
Director of Community Development
