Re: Town of Denton Proposed Amendment to 2010 Comprehensive Plan (60-Day Review)

Dear Mayor McNinch:

In September 2012, the Town of Denton administratively adopted the Septic Tier Map in accordance with Senate Bill 236. In December 2014, Caroline County adopted a Septic Tier Map that is consistent with the Town's adopted Septic Tier Map.

As required by Senate Bill 236, the Town was required to incorporate the Septic Tier Map into the Town's 2010 Comprehensive Plan by 2016. The proposed amendment incorporates the same map as was reviewed in September 2012; therefore, Planning does not have any comments. Upon adoption of the amendment by the Town, Planning will update the Town's 10-Year Comprehensive Plan Review Cycle Schedule to reflect that this requirement has been completed.

We thank you and your staff for completing this task. If you have any questions, please do not hesitate to contact David Dahlstrom, AICP, Regional Planner at 410-819-4084.

Sincerely,

Peter G. Conrad, AICP
Manager, Local Assistance and Training
