

Maryland Department of Planning

Sustain~~able~~_____Attain~~able~~

November 9, 2012

Percy J. Purnell, Jr., Mayor
City of Crisfield
P.O. Box 270
319 West Main Street
Crisfield, Maryland 21817

Dear Mayor Purnell,

RE: MDP's review of adopted tier maps; No comments

Thank you for providing the Department of Planning with a copy of Resolution #406 adopted by the City of Crisfield on October 10, 2012. This resolution establishes growth tiers under the Maryland Sustainable Growth and Agricultural Act of 2012 for the City of Crisfield and references the official map displaying the Growth Tier areas.

The Act allows the Department to comment on mapped growth tiers when the Department determines that the growth tiers do not meet the criteria established by the Act.

The Maryland Department of Planning is pleased to advise you that the map adopted by the City of Crisfield satisfies the criteria for designation of growth tiers under the Maryland Sustainable Growth and Agricultural Act of 2012. The Department therefore has no comments on the adopted map.

Please be advised that the growth tiers shall be incorporated into the City's comprehensive plan or an element of the plan when the City conducts its six year review of the plan. If the growth tiers are not incorporated into the comprehensive plan or an element of the plan during that 6-year review, Senate Bill 236 provides that the growth tiers may not be considered as adopted and the restrictions on major subdivisions outside sewer areas shall apply.

Somerset County may be submitting growth tier maps to the Department. To date, we have not received a tier map from the County. Should there be any conflicts between the City's mapping

and that of the County, the Act provides a process for resolution. We do not anticipate that such maps would be in conflict with the criteria under the Act or with the County's adopted map.

We would like to recognize the City for being among the first jurisdictions in the State to have adopted a Growth Tier map as called for under the Maryland Sustainable Growth and Agricultural Act of 2012 .

Should you have any questions, please don't hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Rich Josephson" followed by a flourish and the initials "RJ".

Rich Josephson
Director of Planning Services
