RE: Cecil County Comprehensive Plan Land Use Map Amendment

Dear Ms. Barnes:

Please be advised that Cecil County Government is receipt of a request from York Building Products and William H. Hociak to amend the Land Use Plan of the 2010 Cecil County Comprehensive Plan. Specifically, the request seeks to remove the subject property (Tax Map 23E Parcel 684) consisting of 60.102 acres from the Land Use Plan's Low Density Growth Area District and designate it as part of the Mineral Extraction District. The purpose for the amendment is to permit the extraction of sand and gravel from the property.

Pursuant to Division I, Title 3, Subtitle 2, §3-203(c)(2) of the Land Use Article of the Annotated Code of Maryland, a copy of the requested amendment is being provided to you so that it can be disseminated through the state clearinghouse process to relevant state agencies. Please provide this Department with any comments you may receive by close of business on Friday, November 6, 2020.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric S. Sennstrom", is written over a circular blue stamp or seal.
