WHEREAS, The Task Force was charged with recommending regulatory, statutory and other actions to address the impact of major developments served by on-site sewage disposal systems, commonly known as septic systems, and their effects on pollution, land preservation, agri-business, and smart growth; and

WHEREAS, The Task Force reported its findings in December 2011 to the Governor, the Speaker of the House, the President of the Senate, the House Environmental Matters Committee and the Senate Education, Health, and Environmental Affairs Committee; and
