** For 2010 to 2040 non-hispanic white population is equal to "non-hispanic white alone", and all other population is equal to "all other races", alone and two or more races.

* Labor force participation rates for 2010 are estimates based on the 2008-2012 American Community Survey. These participation rates are applied to the Census 2010 population by age/sex to yield labor force estimates.

SOURCE: Projections prepared by the Maryland Department of Planning, July 2014. Population and household data from 1970 thru 2010 are from the U.S. Census Bureau, as is the labor force data from 1970 thru 2000. Labor force participation rate data for 2010 is an estimate by the Maryland Department of Planning based on 2008-2012 American Community Survey data. 1990 race and sex population is from modified age, race, sex data (MARS) and 2000 race and sex population from modified race data, both from the U.S. Census Bureau. Historical jobs, total personal income and per capita personal income data are from the U.S. Bureau of Economic Analysis.

Projections are rounded, therefore numbers may not add to totals.
