Data Sources:

- 2026 precinct boundaries received from counties (including Baltimore City) or digitized by Planning in coordination with counties, with precinct numbers reformatted as needed for statewide consistency.
- Congressional districts sourced from 2020 Census TIGER/Line Files & Senate Bill 1012.

Prepared by the Maryland Department of Planning, March 2026.

Notes:

- Portions of any congressional districts that extend beyond the county are not depicted. Congressional district and precinct boundaries exclude 2020 Census blocks containing water area only.
- Planning may complete minor future adjustments to ensure precincts are edge matched with Census block bounderies.
