NOTE. Includes firms with paid employees and firms with no paid employees. The U.S. totals are based on the 2007 Economic Census, whereas the gender, Hispanic or Latino origin, and race estimates are based on the 2007 Survey of Business Owners. Detail may not add to total because a Hispanic or Latino firm may be of any race. Moreover, each owner had the option of selecting more than one race and therefore is included in each race selected.
