

Walk & Bike Frederick

How we're doing, what we need to do

Walk & Bike Frederick

Walk & Bike Frederick

- o Shared Use Path Objectives
- o To provides additional recreation opportunities
- o To provides an alternative means of travel
- o To connects residential, commercial, employment and cultural elements in the City
- o To have all residents within ½ mile of a path
- o To be a character defining element of the City by raising the Quality of Life

Walk & Bike Frederick

The City of Frederick Bicycle and Pedestrian Advisory Committee

Welcome Bicycle Enthusiasts, Pedestrian Advocates and Interested Parties

The City of Frederick Bicycle and
Pedestrian Advisory Committee
(BPAC) Mission:

*The Committee will advise City
officials and staff on the sound
development, management, and
safe use of the City of Frederick's
pedestrian and bicycle systems
as they relate to infrastructure,
accessibility, and promoting the
benefits of these systems.*

*Future US15 Undercrossing;
Connecting Baker and Water-
ford Parks. Funding for the
design provided by MDOT.
The design is underway and
construction will begin in
2015.*

Walk & Bike Frederick

Walk & Bike Frederick Engineering

Walk & Bike Frederick Evaluation

Walk & Bike Frederick Enforcement

**You can't fix a pedestrian
at a body shop.**

Slow down and watch for pedestrians.
