RE: MDP's review of adopted tier maps; No comments

Dear Mayor Cline,

Thank you for providing the Department of Planning with a copy of Resolution #11/13/12 adopted by the Town of East New Market on November 13, 2012. This resolution establishes growth tiers under the Maryland Sustainable Growth and Agricultural Preservation Act of 2012 for the Town of East New Market and references the official map displaying the Growth Tier areas.

The Act allows the Department to comment on mapped growth tiers when the Department determines that the growth tiers do not meet the criteria established by the Act.

The Maryland Department of Planning is pleased to advise you that the map adopted by the Town of East New Market satisfies the criteria for designation of growth tiers under the Maryland Sustainable Growth and Agricultural Preservation Act of 2012. The Department therefore has no comments on the adopted map.

Please be advised that the growth tiers shall be incorporated into the Town's comprehensive plan or an element of the plan when the Town conducts its six year review of the plan. If the growth tiers are not incorporated into the comprehensive plan or an element of the plan during that 6-year review, Senate Bill 236 provides that the growth tiers may not be considered as adopted and the restrictions on major subdivisions outside sewerred areas shall apply.

Dorchester County may be submitting growth tier maps to the Department. To date, we have not received a tier map from the County. Should there be any conflicts between the Town's mapping and that of the County, the Act provides a process for resolution. We do not anticipate that such maps would be in conflict with the criteria under the Act or with the County's adopted map.

Anthony G. Brown, Lt. Governor
