

Concentrating Growth Workgroup Report

September 22, 2014

To: Jon Laria, Chair, Maryland Sustainable Growth Commission & Commissioners

From: Derick Berlage, Chairman, Concentrating Growth Workgroup

Subject: Workgroup Activities

Date: Sept. 22, 2014

The workgroup is continuing work on the “Status Check” project, which has been renamed “Sustainable Growth and Conservation Indicators – Status Check & Measuring Progress.” An 84-page working draft is undergoing discussion and revision. The workgroup held a conference call on September 8. We will be prepared to brief the Commission on this project at the Commission’s September 22 meeting. A brief summary of the draft document is attached.
