Source: U.S. Census Bureau, 2002 Survey of Business Owners Prepared by Maryland Department of Planning, Planning Data Services

[NOTE. Includes firms with paid employees and firms with no paid employees. The U.S. totals are based on the 2002 Economic Census, whereas the gender, Hispanic or Latino origin, and race estimates are based on the 2002 Survey of Business Owners. Detail may not add to total because a Hispanic or Latino firm may be of any race. Firms with more than one domestic establishment are counted in each geographic area in which they operate, but only once in the state totals.
