* Total ancestries tallied is the total number of people reporting each specific ancestry either first or second in their response to the ancestry question. For example, someone responding "Irish-German-Dutch" is counted in both the Irish and German ancestry groups, but the third response is not tallied. Total tallies can be greater than the total population, even though many people left this question unanswered. This is the only question for which the Census Bureau did not impute any answers for non-respondents.

** Includes only people reporting "U.S." or "American" as their sole ancestry. For example, "Irish-American" is tallied only as "Irish".

*** Includes most reported ancestries which are equivalent to specific race & Hispanic/Latino groups, such as Cree, Thai, Samoan & Cuban.

* Employment status by disability status was determined only for the 16 to 64 year old population.
 ** For Census 2000, persons could report more than one race, but the seven racial categories shown are mutually exclusive and include everyone.
 *** Hispanic/Latino origin is NOT considered a race. People who reported as Hispanic/Latino are also counted in the seven racial categories.
